Memorandum

TO: BATA Oversight Committee

DATE: March 3, 2010

FR: Executive Director

W. I. 1251

RE: Appeal of Executive Director's Decision on Protest of San Francisco-Oakland Bay Bridge ("SFOBB") Toll Operations Building Contract Award

Please find attached a memorandum (dated March 3, 2010) from Commissioners Dodd, Kinsey and Tissier to the BATA Oversight Committee as to their review and findings of a bid protest that was submitted in regard to the Oversight Committee's award of a contract to Roebbelen Contracting, Inc. for the construction of a new SFOBB Toll Operations Building. The three Commissioners who reviewed the bid protest were appointed by Chairman Dodd to serve as an ad hoc review panel of the Committee to review and evaluate the bid protest of this contract award.

The attached memo describes the project background and the review process for the bid protest. As stated in the attached memo, after having an opportunity to fully review the record, the ad hoc panel unanimously recommends that all bids be rejected, and the project rebid.
